

AAA RSP Support — User Manual

What is AAA RSP Support Extension?

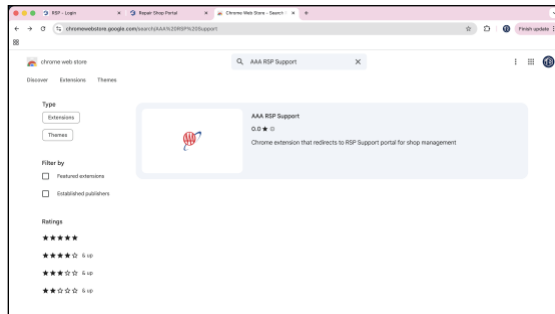

AAA RSP Support Extension is a small add-on for Google Chrome (the browser). It helps you open RSP Support from your [RSP-National-AAA.com](https://www.repairshop.com/aaa-rsp-support/) portal without additional typing or clicking. By logging into RSP, the Chrome extension automatically logs you into RSP Support so you can easily monitor your AAA CSI, appointment settings and RSP automation.

To install the extension, follow the steps below.

Install from the Chrome Web Store.

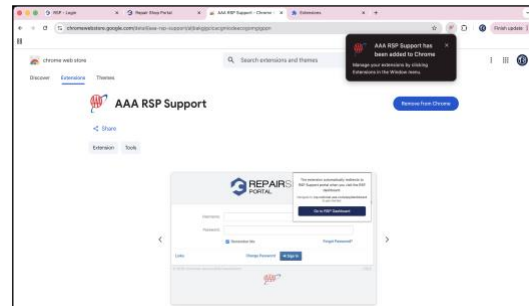

Step A — Open the store listing

1. Open Google Chrome.
2. Goto the Chrome Web Store and search for “AAA RSP Support.”

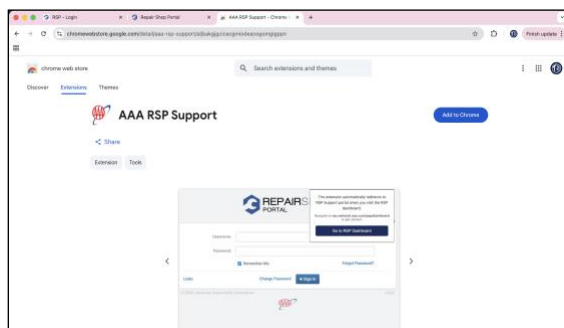

Step C — Find the extension

1. Click the puzzle piece icon (top-right).
2. Find AAA RSP Support and pin it.

Step B — Add the extension

1. Click Add to Chrome.
2. Confirm by clicking Add extension.

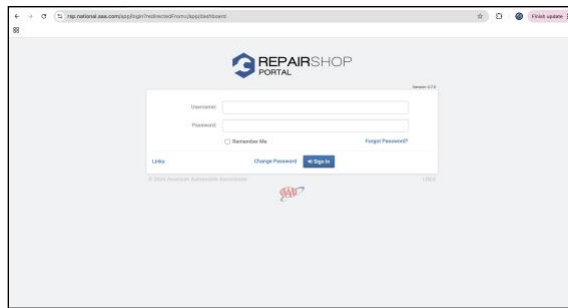

Step D — First-time check

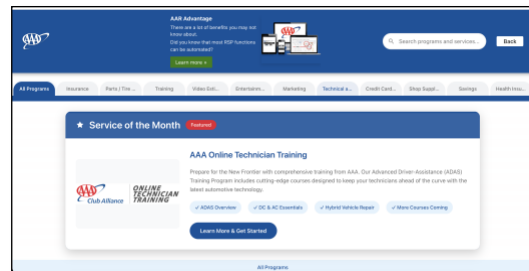

If installation is blocked, contact IT support.

How to use it?

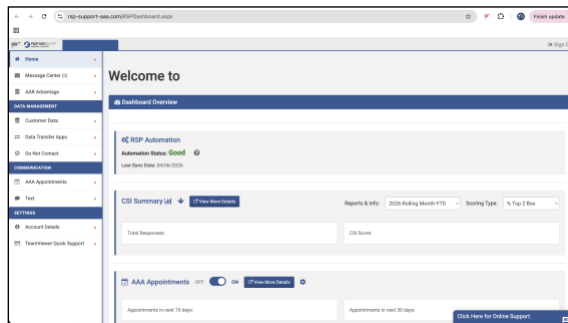

1. Sign in to rsp-national-aaa.com in Chrome.
2. Wait for it to fully load.

4. AAR Advantage site may open if available.

3. Now the extension will open a new window RSP Support website and sign-in Automatically.

If nothing happens:

- Wait a few seconds
- Refresh the page
- Use "Go to RSP Dashboard" from the extension

In case you need help.

- Installation issues: Contact IT
- Not working: Refresh or retry
- Account issues and Extension help: Goto rsp-support-aaa.com and click on "Click here for Online Support"
